**Thursday, March 8, 11 am-12 pm**  
**Tuesday, March 20, 11 am-12 pm**

### **INFORMATION**

Northside Drive Baptist Church invites the community to explore the richly colored, faceted windows designed and placed by the Willet Stained Glass Studios of Philadelphia. Its octagonal-shaped Sanctuary was designed by Barker & Cunningham Architects and constructed in 1974. Art historian and parishioner Jordan Clark will provide an interpretative tour of the windows. A reference to President Jimmy Carter and his previous membership in the church—an imbedded glass peanut—is unique.

**RSVP to the church administration office at 404-237-8621 or [info@northsidedrive.org](mailto:info@northsidedrive.org).**

**MISSION STATEMENT:** As a Christian community challenged to discern and act upon the ongoing revelation of God in our time and place, Northside Drive Baptist Church lives out its vision as a church rooted deeply in liturgical traditions, where intergenerational friendships are valued, members can be known by name, open-mindedness is the basis of spiritual formation, resources are shared generously, and hands-on-service is crucial. This vision is celebrated through the intimacy of a loving congregation, the strength of Baptist freedoms, and the reach of an ecumenical and inclusive spirit.
